Why are they right and I am not?
Why have they guns with many shots?
Why are they white and I am not?
Why are they better, better, better?
Black lives matter!

Why are they here and don't go home?
Why do they live in a very small room?
Why are they black and not like us?
Why are they living, living, living?
Are not dead!?
All lives matter!

Why are they? Why?
Why are they? Why?
Why are they? Why?

Black lives matter. All lives matter.
Black lives matter. All lives matter.
Black lives matter. All lives matter.

America?
America, where are you going?
Is this the better way of life?
When they shout for their rights,
when they have to fight for their lives,
when they have no hope for their kids?

America?
America, where are you going?
Is this the better way of life?

America?

What is his name?
What are their names?

All their names ...
All their names could be ...
All their names could be ...
